Such conduct shall include, but is not limited to, the following:

(1) Conduct related to the client's safety and integrity:

- (c) Failing to develop, implement and/or follow through with the plan of care.

- (b) Neglecting a client. The definition of neglect includes, but is not limited to, carelessly

allowing a client to be in physical discomfort or be injured.

(4) Conduct related to achieving and maintaining clinical competency:

(b) Failing to conform to the essential standards of acceptable and prevailing nursing practice. Actual injury need not be established.

Licensee admits that the above allegations occurred and constitute violations of the Nurse Practice Act. Licensee wishes to cooperate with the Board in resolving the present disciplinary matter. The following will be proposed to the Oregon State Board of Nursing and is agreed to by Licensee:

Licensee shall be suspended for a period of thirty (30) days with the following condition:
