Certificate No. 200312382CNA	)	**Reference No. 13-01302**

The Oregon State Board of Nursing (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including Certified Nursing Assistants. Stormie Page (Certificate Holder) is a Certified Nursing Assistant in the state of Oregon.

This matter was considered by the Board at its meeting on April 24, 2013.

On March 4, 2013, a notice stating that the Board intended to suspend the nursing assistant certificate of Certificate Holder was sent to her via certified and first-class mail to her address of record. The Notice alleged that Stormie Page failed to cooperate with the Board during the course of an investigation.

The Notice granted Certificate Holder an opportunity for hearing if requested within twenty (20) days of the mailing of the Notice. No such request for hearing has been received by the Board. The Notice designated the Board's file on this matter as the record for purposes of default.

NOW THEREFORE, after consideration of its records and files related to this matter, the Board enters the following Order:

-I-

FINDINGS OF FACT

Based on the evidence submitted through the Notice and the agency file in this case, the Board finds the following:

1. Certificate Holder was issued a Nursing Assistant Certificate in the state of Oregon on August 11, 2011.

2. On or about January 14, 2013, Certificate Holder was reported to the Board for practicing outside her scope. The Board opened an investigation into the matter.

3. On January 25, 2013, Board staff mailed a letter to Certificate Holder's address of record requesting that she schedule an interview to discuss the allegations. Certificate Holder was further instructed to send a written statement regarding the allegations and a current work history. Certificate Holder failed to schedule an interview and did not provide any documents to the Board.

4. On February 12, 2013, a second letter was sent to Certificate Holder's address of record, requesting that she contact the Board within five (5) business days to schedule an interview to discuss the allegations. Certificate Holder was also asked to provide a current work history and a written statement regarding the allegations. Certificate Holder failed to schedule an interview and did not provide any documents to the Board.

5. On March 4, 2013, Board staff mailed a Notice of Proposed Suspension to Certificate Holder via first-class and certified mail. The Notice granted Certificate Holder twenty (20) days from the date of the mailing of the Notice to request a hearing. The Notice also designated that the agency file would be the record for purposes of default.

6. Certificate Holder failed to respond to the Notice of Proposed Suspension within the required twenty (20) days. Consequently, Certificate Holder's opportunity to request a hearing has expired and she is in default.

-II-

CONCLUSIONS OF LAW

1. That the Board has jurisdiction over the Certificate Holder, Stormie Page, and over the subject matter of this proceeding.

2. That Certificate Holder's failure to cooperate with the Board during the course of an investigation is grounds for disciplinary action pursuant to ORS 678.442(2)(f), OAR 851-063-0080(6) and OAR 851-063-0090(9)(a) and (c).

3. That Certificate Holder defaulted on the Notice by not requesting a hearing within the allotted twenty (20) days and, as a result, pursuant to ORS 183.417(3), the Board may enter a Final Order by Default.

-III-

ORDER

Based on the foregoing Findings of Fact and Conclusions of Law, and the Board being fully advised in the premises, it is hereby:
