Certificate No. 200710868CNA) **Reference No. 16-00055**

The Oregon State Board of Nursing (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including Certified Nursing Assistants. Lisa Jones (Certificate Holder) was issued a Nursing Assistant certificate by the Board on May 2, 2007.

This matter was considered by the Board at its meeting on April 13, 2016.

On March 23, 2016, a notice stating that the Board intended to suspend the Nursing Assistant certificate of Certificate Holder was sent to her via certified and first-class mail to her address of record. The Notice alleged that Lisa Jones failed to cooperate with the Board during the course of an investigation.

The Notice granted Certificate Holder an opportunity for hearing if requested within twenty (20) days of the mailing of the Notice. No such request for hearing has been received by the Board. The Notice designated the Board's file on this matter as the record for purposes of default.

NOW THEREFORE, after consideration of its records and files related to this matter, the Board enters the following Order:

-I-

FINDINGS OF FACT

Based on the evidence submitted through the Notice and the agency file in this case, the Board finds the following:

1. On or about June 25, 2015, Certificate Holder submitted a Certification Renewal Application to the Board. On her application, Certificate Holder marked "yes" to the following question: "Are you being investigated currently, or have you been investigated since the 'date of your last renewal' (regardless of whether the investigation was substantiated), for any type of abuse or mistreatment in any state?" The Board opened an investigation into the matter.

2. On February 25, 2016, Board staff mailed a letter to Certificate Holder's address of record requesting that Certificate Holder supplement her renewal application by providing the Board with additional documents and information. Certificate Holder failed to provide the requested documents and information.
3. On March 11, 2016, a second letter was sent to Certificate Holder's address of record requesting that Certificate Holder provide the requested documents and information within five (5) business days. Certificate Holder failed to provide the requested documents and information.
4. On March 23, 2016, Board staff mailed a Notice of Proposed Suspension to Certificate Holder via first-class and certified mail. The Notice granted Certificate Holder twenty (20) days from the date of the mailing of the Notice to request a hearing. The Notice also designated that the agency file would be the record for purposes of default.
5. Certificate Holder failed to respond to the Notice of Proposed Suspension within the required twenty (20) days. Consequently, Certificate Holder's opportunity to request a hearing has expired and she is in default.

-II-

CONCLUSIONS OF LAW

1. That the Board has jurisdiction over the Certificate Holder, Lisa Jones, and over the subject matter of this proceeding.
2. That Certificate Holder's failure to cooperate with the Board during the course of an investigation is grounds for disciplinary action pursuant to ORS 678.442(2)(f), OAR 851-063-0080(6) and OAR 851-063-0090(10)(a) and (c).
3. That Certificate Holder defaulted on the Notice by not requesting a hearing within the allotted twenty (20) days and, as a result, pursuant to ORS 183.417(3), the Board may enter a Final Order by Default.

-III-

ORDER

Based on the foregoing Findings of Fact and Conclusions of Law, and the Board being fully advised in the premises, it is hereby:

ORDERED that the Nursing Assistant Certificate of Lisa Jones is SUSPENDED for a minimum of two weeks, commencing five business days from the date this Order is signed, and shall continue until such time as Lisa Jones has fully cooperated with the

Board's investigation. Should the Board reinstate the Nursing Assistant Certificate of Lisa Jones, she would be subject to whatever terms and conditions the Board may impose.
