The Oregon State Board of Nursing, (Board) is the agency responsible for certifying and regulating Nursing Assistants in the State of Oregon. Sharon J. Lane (Certificate Holder) is a Certified Nursing Assistant (CNA) in the State of Oregon. The Board issued Certificate Holder a Nursing Assistant on March 11, 2002.

On January 23, 2012, while performing the duties of a CNA, Certificate Holder transferred a resident using a mechanical lift without the assistance of a second caregiver. During the transfer, the resident rolled out of the lift's sling and fell to the ground. The resident's care plan stated that the resident was to be transferred using a Hoyer lift with two people assisting.

Certificate Holder immediately notified her charge nurse and the resident care manager. The resident was promptly assessed and transported to the emergency department, where it was discovered she had sustained a left hip fracture from the fall.

Certificate Holder acknowledges that by not following the resident's care plan she violated the provisions of ORS 678.442 (2) (f); and OAR 851-063-0080 (6); and OAR 851-063-0090 (6) (a), which reads as follows:

**ORS 678.442 Certification of nursing assistants; rules.**

(2) In the manner prescribed in ORS chapter 183, the board may revoke or suspend a certificate issued under this section or may reprimand a nursing assistant for the following reasons:

(f) Conduct unbecoming a nursing assistant in the performance of duties.

**OAR 851-063-0080 Causes for Denial, Reprimand, Suspension, Probation or Revocation of CNA Certificate**

Under the contested case procedure in ORS 183.310 to 183.550 the Board may deny, reprimand, suspend, place on probation or revoke the certificate to perform duties as a CNA for the following causes:

(6) Conduct unbecoming a nursing assistant in the performance of duties. ORS 678.442(2) (f)

**OAR 851-063-0090 Conduct Unbecoming a Nursing Assistant**

A CNA, regardless of job location, responsibilities, or use of the title "CNA," who, in the performance of nursing related duties, may adversely affect the health, safety or welfare of the public, may be found guilty of conduct unbecoming a nursing assistant. Conduct unbecoming a nursing assistant includes but is not limited to:

(6) Conduct related to achieving and maintaining clinical competency:

(a) Failing to competently perform the duties of a nursing assistant.

Certificate Holder wishes to cooperate with the Board in resolving the present disciplinary

problems, so the following will be proposed to the Board and is agreed to by Certificate Holder:

**That the Nursing Assistant Certificate of Sharon J. Lane be reprimanded.**

Certificate Holder understands that this Stipulation will be submitted to the Board for approval, and that it is subject to its confirmation.

Certificate Holder understands that, by entering into this Stipulation, she waives the right to an administrative hearing under ORS 183.310 to 183.550.

Certificate Holder understands that this Stipulation will become a public record at such time as the Board issues an order implementing it.
