The Oregon State Board of Nursing (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including Registered Nurses. Dawn Frazier (Licensee) was issued a registered nurse license by the Board on June 04, 1996.

This matter was considered by the Board at its meeting on January 15, 2014.

On December 5, 2013, a Notice stating that the Board intended to Revoke the Registered Nurse License of Dawn Frazier was sent to her via certified and first-class mail to her address of record. The Notice alleged that Licensee illegally obtained narcotics and failed to cooperate with the Board during the course of the investigation.

The Notice granted Licensee an opportunity for hearing if requested within twenty (20) days of the mailing of the Notice. No such request for hearing has been received by the Board. The Notice designated the Board's file on this matter as the record for purposes of default.

NOW THEREFORE, after consideration of its records and files related to this matter, the Board enters the following Order:

-I-

**FINDINGS OF FACT**

Based on the evidence submitted through the Notice and the agency file in this case, the Board finds the following:

1. Licensee was issued a Registered Nurse License in the state of Oregon on June 04, 1996.
2. On or about August 19, 2013, Licensee was reported to the Board for allegedly forging prescriptions to a pharmacy in order to illegally obtain Vicodin and Oxycodone. The Board opened an investigation into the matter. Board staff obtained three prescriptions written for Vicodin and Oxycodone. The prescriptions were determined to be

fraudulent, because the patients did not exist and the Doctor denied writing the prescriptions. Licensee was captured on pharmacy surveillance presenting her identification in an attempt to fill the fraudulent prescriptions.

3. On or about August 28, 2013, Board staff mailed a letter to Licensee's address of record requesting that she schedule an interview to discuss the allegations. Licensee was further instructed to send a written statement regarding the allegations and a current work history. Licensee failed to schedule an interview and did not provide any documents to the Board.
4. On or about September 13, 2013, a second letter was sent to Licensee's address of record requesting that she contact the Board within five (5) business days to schedule an interview to discuss the allegations. Licensee was also asked to send a written statement regarding the allegations and provide a current work history. Licensee failed to schedule an interview and did not provide any documents to the Board.
5. On December 5, 2013, Board staff mailed a Notice of Proposed Revocation to Licensee via first-class and certified mail. The Notice granted Licensee twenty (20) days from the date of the mailing of the Notice to request a hearing. The Notice also designated that the agency file would be the record for purposes of default.

### CONCLUSIONS OF LAW

1. That the Board has jurisdiction over the Licensee, Dawn Frazier, and over the subject matter of this proceeding.
2. That Licensee's conduct is in violation of ORS 678.111 (1) (f) and OAR 851-045-0070 (2) (i), 4 (b); and 7 (a) and (c).
3. That Licensee defaulted on the Notice by not requesting a hearing within the allotted twenty (20) days and, as a result, pursuant to ORS 183.417(3), the Board may enter a Final Order by Default.
