)
License No. 098000492RN) **Reference No. 16-01703**

The Oregon State Board of Nursing (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including Registered Nurses. Jamie Grijalva (Licensee) was issued a Registered Nurse License by the Board on July 29, 1998.

On November 15, 2012, Licensee was placed on probation after she was reported to the Board for alleged diversion and improper documentation. During the course of the investigation, Licensee admitted to diverting eight hydrocodone from the workplace. The terms and conditions of the order required Licensee to participate in the Board's random urine drug testing program and abstain from the use of alcohol and other intoxicating drugs.

Since beginning probation, Licensee has missed urine drug tests and tested positive for ETG, a metabolite of alcohol. Both are violations of the terms and conditions of her probation.

By the above actions, Licensee is subject to discipline pursuant to ORS 678.111(1) (f) and OAR 851-045-0070 (7) (d) which read as follows:

ORS 678.111 Causes for denial, revocation or suspension of license or probation, reprimand or censure of licensee. In the manner prescribed in ORS chapter 183 for a contested case:

(1) Issuance of the license to practice nursing, whether by examination or by Endorsement, of any person may be refused or the license may be revoked or suspended or the licensee may be placed on probation for a period specified by the Oregon State Board of Nursing and subject to such condition as the board may impose or may be issued a limited license or may be reprimanded or censured by the board, for any of the following causes:

(f) Conduct derogatory to the standards of nursing.

OAR 851-045-0070 Conduct Derogatory to the Standards of Nursing Defined:

Nurses, regardless of role, whose behavior fails to conform to the legal standard and accepted standards of the nursing profession, or who may adversely affect the health, safety, and welfare of the public, may be found guilty of conduct derogatory to the standards of nursing. Such conduct shall include, but is not limited to, the following:

(7) Conduct related to the licensee's relationship with the Board:

(d) Violating the terms and conditions of a Board order.

Licensee wishes to cooperate with the Board in this matter and voluntarily surrender her Registered Nurse license.

Therefore, the following will be proposed to the Oregon State Board of Nursing and is agreed to by Licensee:

That the voluntary surrender of the Registered Nurse license of Jamie Grijalva be accepted. If, after a minimum of three years, Ms. Grijalva wishes to reinstate her Registered Nurse license, she may submit an application to the Board to request reinstatement.

Licensee agrees that she will not practice as a Registered Nurse from the date she signs this Order.

Licensee understands that this Order will be submitted to the Board of Nursing for its approval and is subject to the Board's confirmation.

Licensee understands that by signing this Stipulated Order, she waives the right to an administrative hearing under ORS 183.310 to 183.540, and to any judicial review or appeal thereof. Licensee acknowledges that no promises, representations, duress or coercion have been used to induce her to sign this Order.

Licensee understands that this Order is a document of public record.

Licensee has read this Stipulated Order, understands this Order completely, and freely signs this Stipulated Order for Voluntary Surrender.
