The Oregon State Board of Nursing (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including Certified Nursing Assistants. Mary Sule was issued a Nursing Assistant certificate by the Board on March 2, 2010.

This matter was considered by the Board at its meeting on August 13, 2014.

On July 17, 2014, a Notice stating that the Board intended to revoke the Nursing Assistant certificate of Mary Sule was sent to her via certified and first-class mail to her address of record. The Notice alleged that Certificate Holder stole money and property from residents of the assisted living facility where she was employed.

The Notice granted Certificate Holder an opportunity for hearing if requested within twenty (20) days of the mailing of the Notice. No such request for hearing has been received by the Board. The Notice designated the Board's file on this matter as the record for purposes of default.

NOW THEREFORE, after consideration of its records and files related to this matter, the Board enters the following Order:

-I-

FINDINGS OF FACT

Based on the evidence submitted through the Notice and the agency file in this case, the Board finds the following:

1. Sule was issued a Nursing Assistant certificate in the state of Oregon on March 2, 2010.
2. On or about May 19, 2014, Sule was reported to the Board on allegations of theft. The Board opened an investigation into the matter.
3. On or about May 15, 2014, Sule stole money and property from residents of the assisted living facility where she was employed.

4. On July 17, 2014, Board staff mailed a Notice of Proposed Revocation to Sule via first-class and certified mail. The Notice granted Sule twenty (20) days from the date of the mailing of the Notice to request a hearing. The Notice also designated that the agency file would be the record for purposes of default.

-II-

CONCLUSIONS OF LAW

1. That the Board has jurisdiction over the Certificate Holder, Mary Sule, and over the subject matter of this proceeding.
2. That Sule's conduct is in violation of ORS 678.442(2)(f), OAR 851-063-0080(6) and OAR 851-063-0090(2)(g).
3. That Sule defaulted on the Notice by not requesting a hearing within the allotted twenty (20) days and, as a result, pursuant to ORS 183.417(3), the Board may enter a Final Order by Default.

-III-
