Certificate No. 200611824CNA

) **Reference No. 15-00280**

The Oregon State Board of Nursing (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including Certified Nursing Assistants. Renaë Green (Certificate Holder) was issued a Certified Nursing Assistant License/Certificate by the Board on August 29, 2006.

This matter was considered by the Board at its meeting on September 24, 2014.

On October 1, 2014, a Notice stating that the Board intended to Revoke the Certified Nursing Assistant License/certificate of Renaë Green was sent to her via certified and first-class mail to her address of record. The Notice alleged that Certificate Holder failed to comply with the terms and conditions of a Board order.

The Notice granted Certificate Holder an opportunity for hearing if requested within twenty (20) days of the mailing of the Notice. No such request for hearing has been received by the Board. The Notice designated the Board's file on this matter as the record for purposes of default.

NOW THEREFORE, after consideration of its records and files related to this matter, the Board enters the following Order:

-I-

FINDINGS OF FACT

Based on the evidence submitted through the Notice and the agency file in this case, the Board finds the following:

1. Certificate Holder was issued a Certified Nursing Assistant License/certificate in the state of Oregon on August 29, 2006.
2. In February 2014, the Board alleged Certificate Holder was diagnosed with Alcohol Dependence and Cannabis Abuse.
3. On April 23, 2014, the Board voted to place Certificate Holder on 24 months of probation due to multiple arrests and convictions for Driving Under the Influence of

Intoxicants (DUII), and Driving While Suspended (DWS).

4. On May 1, 2014, Certificate Holder informed Board staff that prior to being placed on probation, Certificate Holder had plans to visit her mother in California from June 21, 2014 through July 29, 2014. While away, Certificate Holder agreed to register with Phamatech Labs to remain in compliance with her daily check-ins, and to stay current with Certificate Holder's urinalysis (UA) testing while she was away.
5. On July 9, 2014, August 7, 2014, August 15, 2014 and August 21, 2014, Board staff attempted to make contact with Certificate Holder on numerous occasions by mail and by telephone with messages of non-compliance and requested Certificate Holder contact her probation monitor regarding these issues. To date, a call has never been returned.

On October 1, 2014, Board staff mailed a Notice of Proposed Revocation to Certificate Holder via first-class and certified mail. The Notice granted Certificate Holder twenty (20) days from the date of the mailing of the Notice to request a hearing. The Notice also designated that the agency file would be the record for purposes of default.

-II-

CONCLUSIONS OF LAW

1. That the Board has jurisdiction over the Certificate Holder, Renae Green, and over the subject matter of this proceeding.
2. That Certificate Holder's conduct is in violation of ORS 678.442, (2) (c) and OAR 851-063-0080, (3) and OAR 851-063-0090.
3. That Certificate Holder defaulted on the Notice by not requesting a hearing within the allotted twenty (20) days and, as a result, pursuant to ORS 183.417(3), the Board may enter a Final Order by Default.

-III-
