Certificate No. 201012087CNA) **Reference No. 14-00135**

The Oregon State Board of Nursing (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including Certified Nursing Assistants. Simone Muro (Certificate Holder) was issued a Nursing Assistant certificate by the Board on September 2, 2010.

This matter was considered by the Board at its meeting on November 20, 2013.

On October 25, 2013, a notice stating that the Board intended to suspend the Nursing Assistant certificate of Certificate Holder was sent to her via certified and first-class mail to her address of record. The Notice alleged that Simone Muro failed to cooperate with the Board during the course of an investigation.

The Notice granted Certificate Holder an opportunity for hearing if requested within twenty (20) days of the mailing of the Notice. No such request for hearing has been received by the Board. The Notice designated the Board's file on this matter as the record for purposes of default.

NOW THEREFORE, after consideration of its records and files related to this matter, the Board enters the following Order:

-I-

FINDINGS OF FACT

Based on the evidence submitted through the Notice and the agency file in this case, the Board finds the following:

1. Certificate Holder was issued a Nursing Assistant certificate in the state of Oregon on September 2, 2010.
2. On or about May 29, 2013, Certificate Holder submitted an application for renewal of her Nursing Assistant certificate on which she disclosed her arrest in June 2012 for possession of a concealed weapon and possession of controlled substances. The Board opened an investigation into the matter.

3. On August 21, 2013, Board staff mailed a letter to Certificate Holder's address of record requesting that Certificate Holder provide documentation and a written statement regarding the arrest. Certificate Holder did not provide the requested documents or statement to the Board.
4. On September 23, 2013, a second letter was sent to Certificate Holder's address of record requesting that Certificate Holder provide documentation and a written statement regarding the arrest by October 11, 2013. Certificate Holder did not provide the requested documents or statement to the Board.
5. On October 25, 2013, Board staff mailed a Notice of Proposed Suspension to Certificate Holder via first-class and certified mail. The Notice granted Certificate Holder twenty (20) days from the date of the mailing of the Notice to request a hearing. The Notice also designated that the agency file would be the record for purposes of default.
6. Certificate Holder failed to respond to the Notice of Proposed Suspension within the required twenty (20) days. Consequently, Certificate Holder's opportunity to request a hearing has expired and she is in default.

-II-

CONCLUSIONS OF LAW

1. That the Board has jurisdiction over the Certificate Holder, Simone Muro, and over the subject matter of this proceeding.
2. That Certificate Holder's failure to cooperate with the Board during the course of an investigation is grounds for disciplinary action pursuant to ORS 678.442(2)(f), OAR 851-063-0080(6), and OAR 851-063-0090(9)(a) and (c).
3. That Certificate Holder defaulted on the Notice by not requesting a hearing within the allotted twenty (20) days and, as a result, pursuant to ORS 183.417(3), the Board may enter a Final Order by Default.

-III-

ORDER

Based on the foregoing Findings of Fact and Conclusions of Law, and the Board being fully advised in the premises, it is hereby:

ORDERED that the Nursing Assistant certificate of Simone Muro is **SUSPENDED** for a minimum of two weeks, commencing five business days from the date this Order is

signed, and shall continue until such time as Simone Muro has fully cooperated with the Board's investigation. Should the Board reinstate the Nursing Assistant certificate of Simone Muro, she would be subject to whatever terms and conditions the Board may impose.
