

**BEFORE THE OREGON
STATE BOARD OF NURSING**

In the Matter of) **STIPULATED ORDER FOR**
Angela Veldman, CNA) **VOLUNTARY SURRENDER**
)
Certificate No. 200110467CNA) **Reference No. 15-00366**

The Oregon State Board of Nursing (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including Certified Nursing Assistants. Angela Veldman (Certificate Holder) was issued a Certified Nursing Assistant Certificate by the Board on March 02, 2001.

On November 16, 2011, Certificate Holder was placed on Probation for a twenty-four (24) month period related to two Driving Under the Influence of Intoxicant (DUII) arrests. One arrest occurred while working on-call as a maternity tech at a hospital.

Following the loss of her daughter, Certificate Holder had difficulty maintaining compliance with the random urine drug testing requirements. Certificate Holder missed several tests and had problems keeping her account in good standing.

On February 19, 2014 the Board voted to extend Certificate Holder's probationary period by six (6) months during which time Certificate Holder was to demonstrate a pattern of compliance with the Board's random urine drug testing program.

Certificate Holder continued to violate the terms and conditions of her Probation by missing urine drug tests, allowing her lab account to be suspended, and not maintaining timely contact with Board staff. Certificate Holder attributed her non-compliance to depressed mood and grief and loss issues.

By the above actions, CNA is subject to discipline pursuant to ORS 678.442 (2) (f) and OAR 851-063-0090 (9)(d) which read as follows:

ORS 678.442: Certification of nursing assistants; rules.

(2) In the manner prescribed in ORS chapter 183, the board may revoke or suspend a certificate issued under this section or may reprimand a nursing assistant for the following reasons:

(f) Conduct unbecoming a nursing assistant in the performance of duties.

OAR 851-063-0090: Conduct Unbecoming a Nursing Assistant

(9) Conduct related to the certificate holder's relationship with the Board:

(d) Violating the terms and conditions of a Board order.

CNA wishes to cooperate with the Board in this matter and voluntarily surrender her Certified Nursing Assistant certificate.

Therefore, the following will be proposed to the Oregon State Board of Nursing and is agreed to by CNA:

That the voluntary surrender of the Certified Nursing Assistant certificate of Angela Veldman be accepted. If, after a minimum of three years, Ms. Veldman wishes to reinstate her Certified Nursing Assistant certificate, she may submit an application to the Board to request reinstatement.

CNA agrees that she will not practice as a Certified Nursing Assistant from the date she signs this Order.

CNA understands that this Order will be submitted to the Board of Nursing for its approval and is subject to the Board's confirmation.

CNA understands that by signing this Stipulated Order, she waives the right to an administrative hearing under ORS 183.310 to 183.540, and to any judicial review or appeal thereof. CNA acknowledges that no promises, representations, duress or coercion have been used to induce her to sign this Order.

CNA understands that this Order is a document of public record.

CNA has read this Stipulated Order, understands this Order completely, and freely signs this Stipulated Order for Voluntary Surrender.
